

*The Tom Price Emergency Services Cadets.*

## Cadets 2006.

The 2006 Cadet year will be starting on Tuesday 7 February with the AGM and committee meeting, then at 7pm cadets will commence with the welcoming of all the new cadets and the introduction to the Management committee and the instructors.

The other cadets will be trying on some new boots that we have ordered in so as to be able to wear them in the new rec centre with it's special flooring.

From what I have seen so far this year is going to be another good year for the Tom Price Emergency Services Cadets.
